FOREWORD

The Pendleton High School Yearbook staff used the Pendleton Round-Up as its theme. The Round-Up commences on a Wednesday afternoon, the second week in September, and continues through Saturday night. During this time, all Pendleton schools close and students receive a five-day holiday. Students may usher at the Round-Up or participate in Happy Canyon, which is an Indian pageant depicting the days of the early pioneer settlers.

LEADERSHIP

As the tribal Indians have a chief, who leads them in all their activities, a high school must also have "chiefs" to undertake the responsibility of leadership. The leaders of a school must be respected and, as an Indian chief, must set an example for the followers.

Strive for Better Year

Steve Corey

As student-body president, Steve Corey has worked for more awareness of student government. By keeping it in action and through constitutional reforms, he has sought to increase the potential of student government for future years.

Steve's determination has earned him places in National Honor Society, Mu Alpha Theta, athletics, as well as the award for being the outstanding legislator at the YMCA Youth Legislature in Salem. Attending Yale or Stanford, Steve plans to study pre-law or pre-medicine.

IOC and Representative Council Assist ASB Officers in School Affairs

The Representative Council is the more powerful body. With one member from each third period class, it is responsible for all student activities. Among the important things it has accomplished this year have been the approving of the judiciary and creating an officer point system.

The Inter-Organizational Council is comprised of the president of each school-sponsored organization. It is responsible for submitting a social calendar and developing co-operation between clubs. One of the many things it did this year was to propose the judiciary.

Along with the executive, the Representative Council and the IOC are the important parts of student government.

Principals and Counselors

To the class of 1964:

The tradition of cooperation is a dominant factor in the success of Pendleton High School activities. You and the members of your class have done things together. The accomplishments of your class are here recorded in word and picture. Time will enrich these memories. These memories will reflect time and again as the most rewarding experiences in your lives.

A basic ingredient for success in activities, in or out of school, is cooperation in inter-personal relationships. Your successes in activities should have a carry-over significance for your many future endeavors. I do hope for each of you that you have the strength of character and forthrightness to achieve your goals of the future.

CLASSES

In an Indian tribe, the young people, as well as adults, must put forth an effort to work together and live as a unit, not as separate classes. In this manner, the classes of a high school must also work together and strive for unity.

Seniors Gallop Off to a Big Year

Dick Hall, president; Eugenia Guzmann, cheerleader; and Darryl Eng, vice-president, spurred hard to help the seniors have a big year. Missing are Steve Smith, secretary-treasurer; and Mike Terry, cheerleader.

The Class of '64 had a talent show, the first senior assembly to be held at night. Seniors seemed very enthusiastic about the talent show and there were many varieties of talent. The seniors bull-dogged second place in the noise parade and roped a first with their float entitled "It Adds Up to Victory."

Graduates; Clubs Award Scholarships

On a beautiful June evening, the large class of 1964 was graduated. Promptly at 7:30, the PHS band played selections while everyone eagerly awaited the procession of the graduating seniors.

Dick Hall, senior class president, gave the invocation, and John Carter, valedictorian, and Linda Hoover, salutatorian, presented their speeches.

Without introduction, Julie Feves played a bassoon solo, "Concerto for Bassoon", accompanied by Marilyn Walpole. Immediately following, Steve Corey, student body president, presented his speech.

Mr. G. Don Fossatti, high school principal, and Mr. Ellis Neal, superintendent of schools, presented the scholarships and special awards.

The anxiously awaiting seniors were then given their diplomas by Mr. George Corey, chairman of the School Board.

Under the direction of Mr. Rob Roy, the entire choral department sang Handel's "Then Round About The Starry Throne," and "Halls of Ivy." The graduates then joined in singing the traditional "Alma Mater."

The evening was drawn to a close by Dick Jones, Hi-Y president, as he gave the benediction.

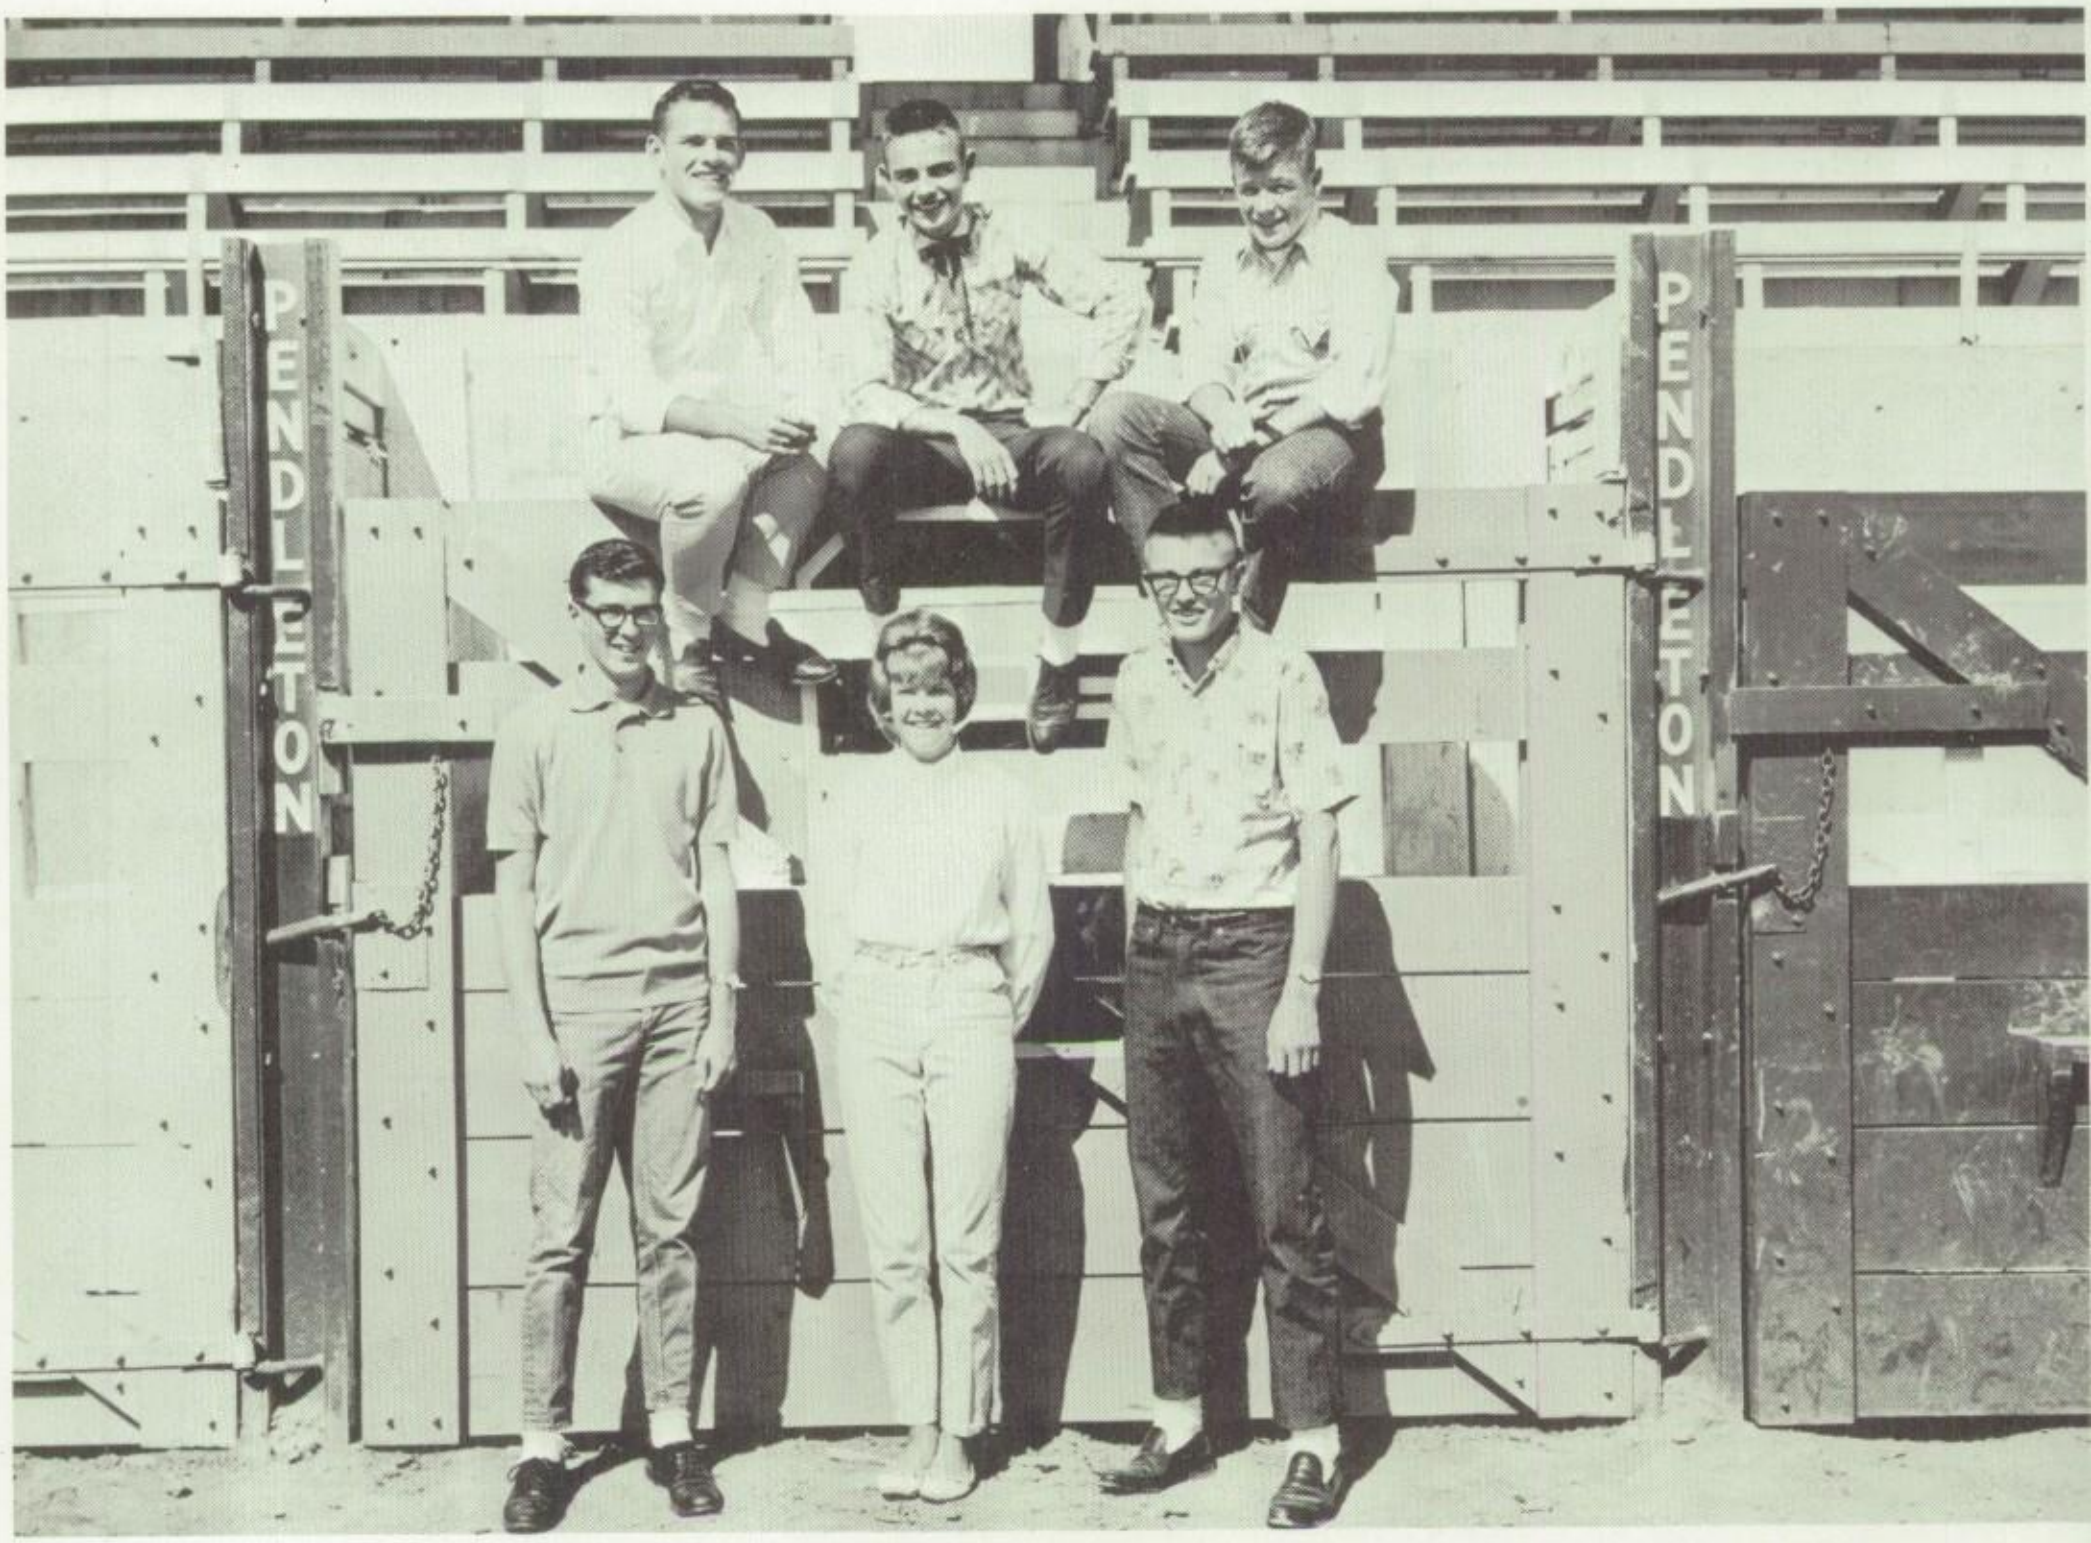
Sophs Break Tradition; Lasso Pep Trophy



In September the sophomore class elected the following to serve as their class officers for the 1963 - 1964 school year; **bottom row:** Jim Jackson, treasurer; Nancy Graybeal, secretary; Rand Akins, vice-president. **Top row:** Clinton Shultz, cheerleader; Roger Schiewe, president; Judd Robinson, cheerleader.

With 315 students, the class of '66 is the largest in the history of Pendleton High School. The sophs used the advantage of their size to win the annual noise parade and were the first sophomore class to win the coveted Pep Trophy.

During the rest of the school year, the sophomores used their pep and enthusiasm in the building of their float "Steam-in' to State" which bulldogged the class a first. To finish out the year with a smashing success the '66er's roped first place in Pep Day with the theme "Love Those Bucks".

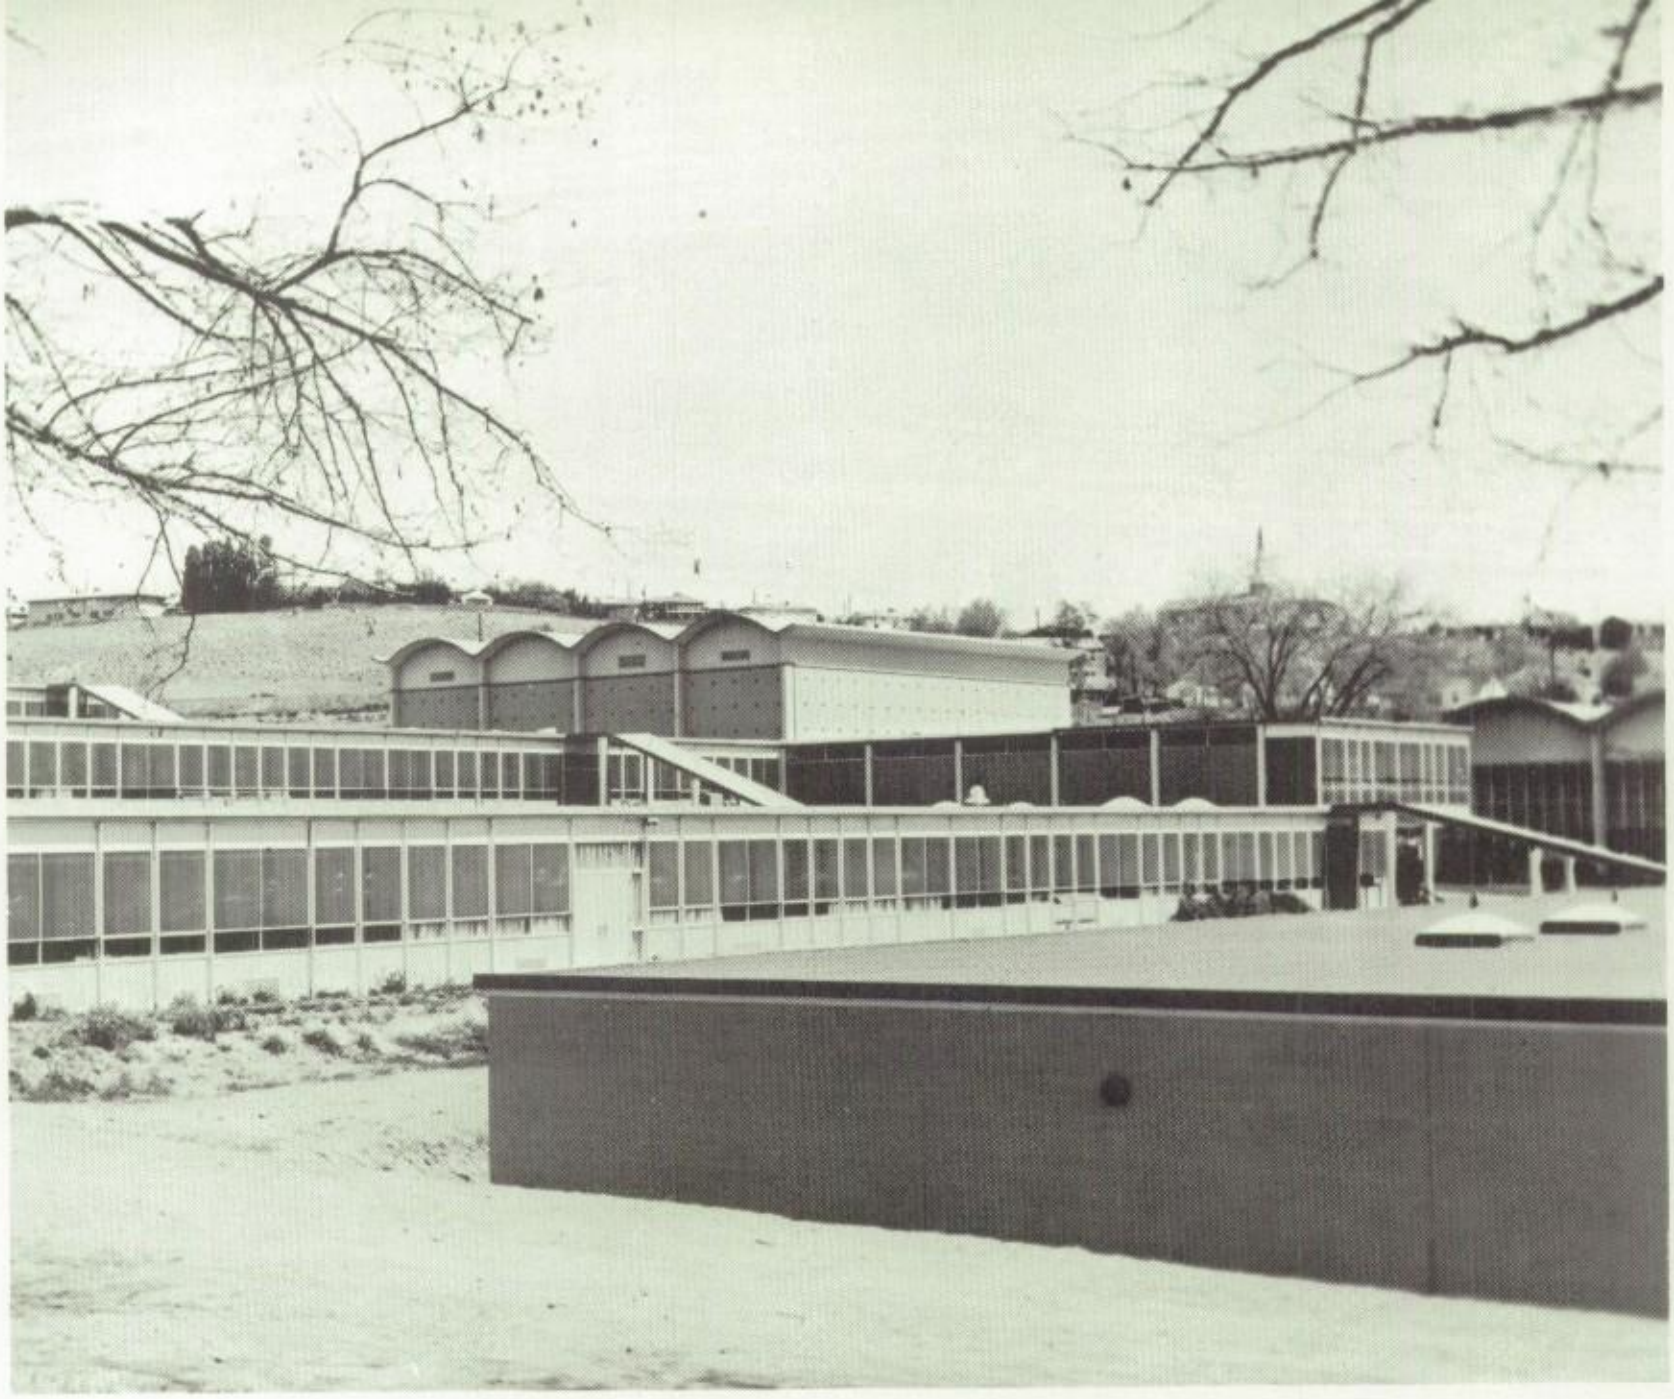
Sophomore Students Admire Trophy

The sophomores' year of hard work, pep and enthusiasm during the school year paid off. Several sophomores examine the fruits of their labor, the coveted Pep Trophy. **Standing** from left to right are: Dick Lowary, Pat Luft, Roger Schiewe, Susan Clark, Dee Whitford and Jim Harris.



School Adds New Wing

The 1963-64 school year proved to be memorable for PHS students and faculty. Another large building was added south of Building Three, and a new room was added to the library.

Building Four was completed at the end of the first term, with students and faculty involved in moving chairs, books and desks. Modern problems, U. S. history, comparative political institutions and algebra were a few of the classes transferred to this building. A large room, seating 140 people, was added in Building Four to aid in team teaching.

Because of the great need for more shelf space, the library added a new wing, making it easier for students to move around and it provided new study space.

This year found PHS at its peak enrollment, with almost 850 stu-students.

Not counting scores of lovers in her prime"
She'd grown a little deaf but not quite she cared
Now forth to foreign lands each year she fared

And he was clad in a coat and hood of green
A sheaf of peacock arrows bright and keen
Under his belt he carried thriftily
And in his hand a mighty bow had he
The Plowman

For heavy toil, without expecting pay
It was enough if Christ approve his deed

Pep band promotes spirit during assemblies.

The office spends many long summer weeks adjusting classroom availability.

The easiest scheduling can be done with required subjects, since there are usually enough students to have one class per period. Certain elective subjects with only one class: band, choir, journalism and advanced languages, are assigned to various periods.

Other classes, especially one semester courses, are assigned to let the most students take the courses of their choice.

Don Requa

Mr. Don Requa may not rule his after-school course with a firm hand, but he certainly does it with a firm foot — on the brake! But then, any teacher would in a driver's education course.

Hundreds of his students have spent the required eighteen hours in class, coupled with six hours behind the wheel of the car. Why? Some enjoy the company, some get a discount on insurance, but more often, all enjoy learning without a frightened mother in the front seat.

ATHLETICS

It takes hard practice and good sportsmanship to compete in one of the main events of the Pendleton Round-Up. Bulldoggers work long, hard hours in preparation for this most challenging sport. PHS sport participants are equally challenged. Long, hard practice and good cooperation have led the Bucks through an extremely successful season.

Parade Magazine Selects Dick Jones

The greatest highlight of the Buckaroo football season was Dick Jones, quarterback, being chosen Parade Magazine's All American High School Team. At left Dick passes to another Buckaroo.

The Bucks had a terrific season, remaining undefeated until the exciting quarterfinal game with North Salem. The final score was North Salem, 14, Pendleton, 9.

Below: Quarterback Dick Jones is making a 63 yard sweep for paydirt. Jones connected for four TD passes and scampered in for the other two. Pendleton defeated the La Grande Tigers 39-12.

Eric Larson, 23, scores the lone TD and was one of the first to tackle Del Schaffer in the end zone for the safety for nine points in Pendleton's losing cause against North Salem for the A-1 state quarterfinal berth. Both North Salem scores were made by Schaffer with the final score 14-9.

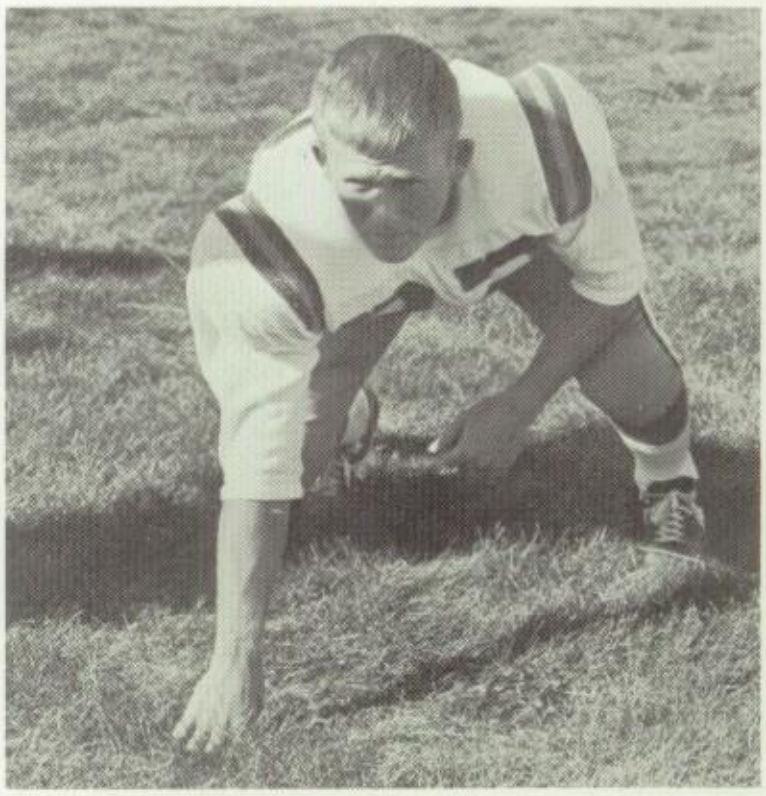
Bucks vs. North Salem in Quarterfinal

Jim Rackley, 80, battles for ball in state competition.

The Pendleton High School football team ended their 1963 season with a defeat in the quarterfinals at the hands of the North Salem Vikings. In the past two years, the Bucks have lost the quarterfinals to North Salem. The game was played in Pendleton, Saturday, November 16. The final score was 14-9, but Pendleton led North Salem in total yardage, 365-305.

Bucks stop North Salem drive in quarterfinal game with North Salem.

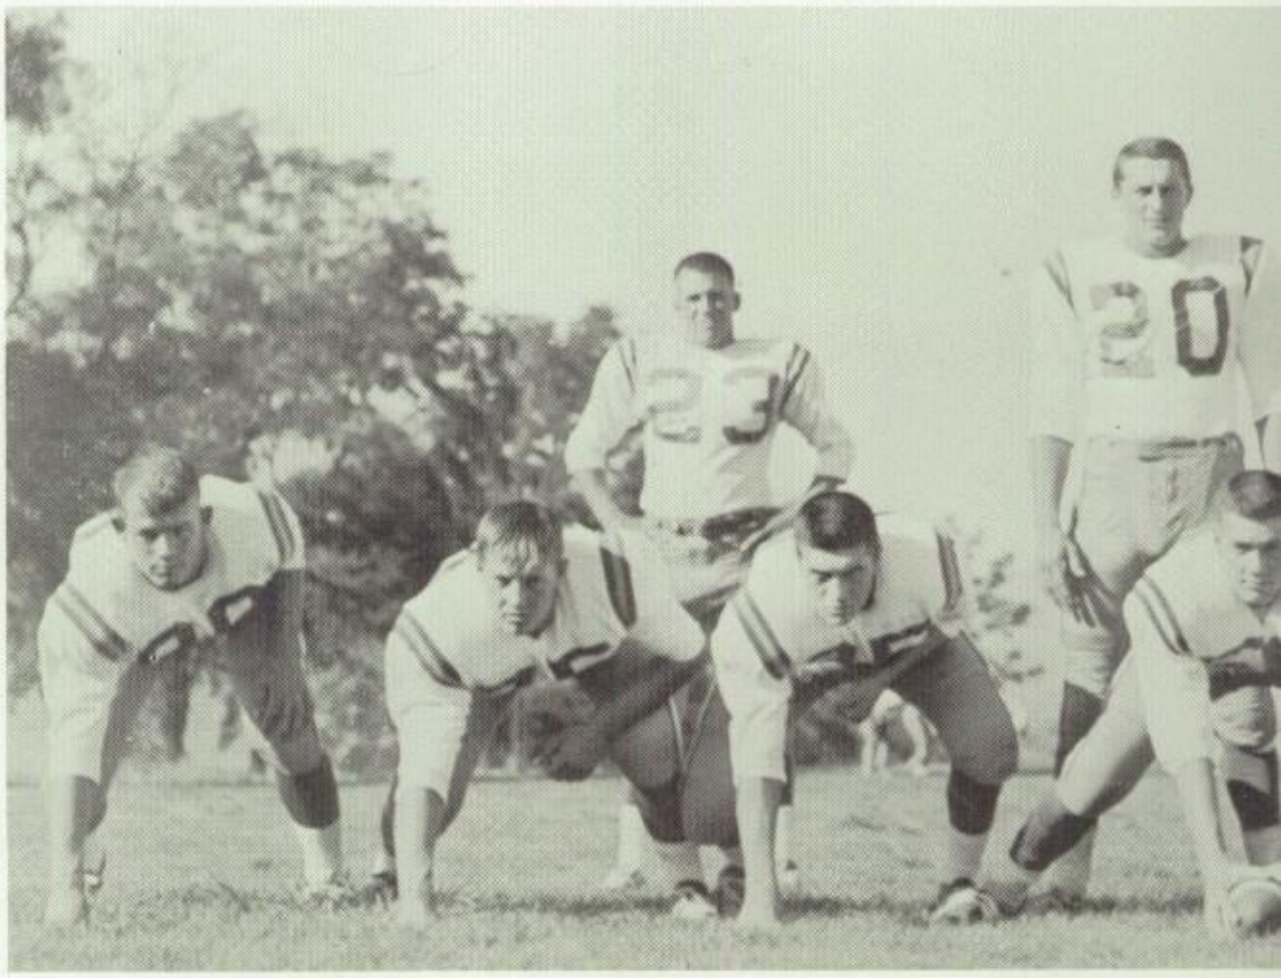
Mike Temple, junior, 146 lb. halfback, and **Gary Froberg,** junior, 165 lb. guard, are likely starters for next year because of their outstanding playing.



Jack Baird, senior, 151 lb. halfback, hampered by injuries most of the season, ranked honorable mention in state ratings.

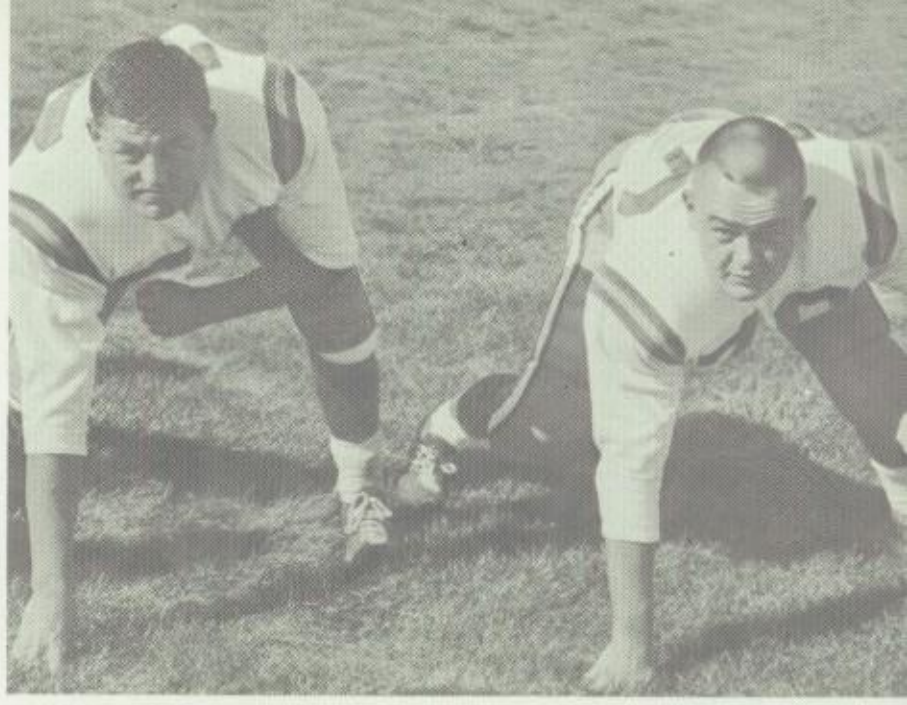
Jones, Corey, Rackley

Steve Corey, senior, 171 lb. fullback, made the fifth team of the Oregon Poll of coaches.



The Buck's offensive unit this year consisted of Jim Rackley, end; Jim Rohde, tackle; Gary Grove, guard; John Carter, center; Gary Froberg, guard; Jack Owen, tackle; Scott Requa, end.

Eric Larson, junior, 160 lb. halfback, started offensively and defensively.



Darrell Horn, junior, 168 lb. tackle and **Jack Owen,** senior, 185 lb. tackle, did great jobs this year.

Coaches Neilson, Requa and White

Head Coach Don Requa is shown in his usual attire for a daily workout, which has become synonymous with winning. He is flanked on his right by Defensive Coach Jerry Neilson, and on his left, by Line Coach Bob White. Coach Requa took his team onto the battleground with the cunningness of a military strategist. Coach Bob White's offensive and defensive units were always on the alert and moved as one. With men like these on the PHS coaching staff, PHS is assured of many successful seasons.

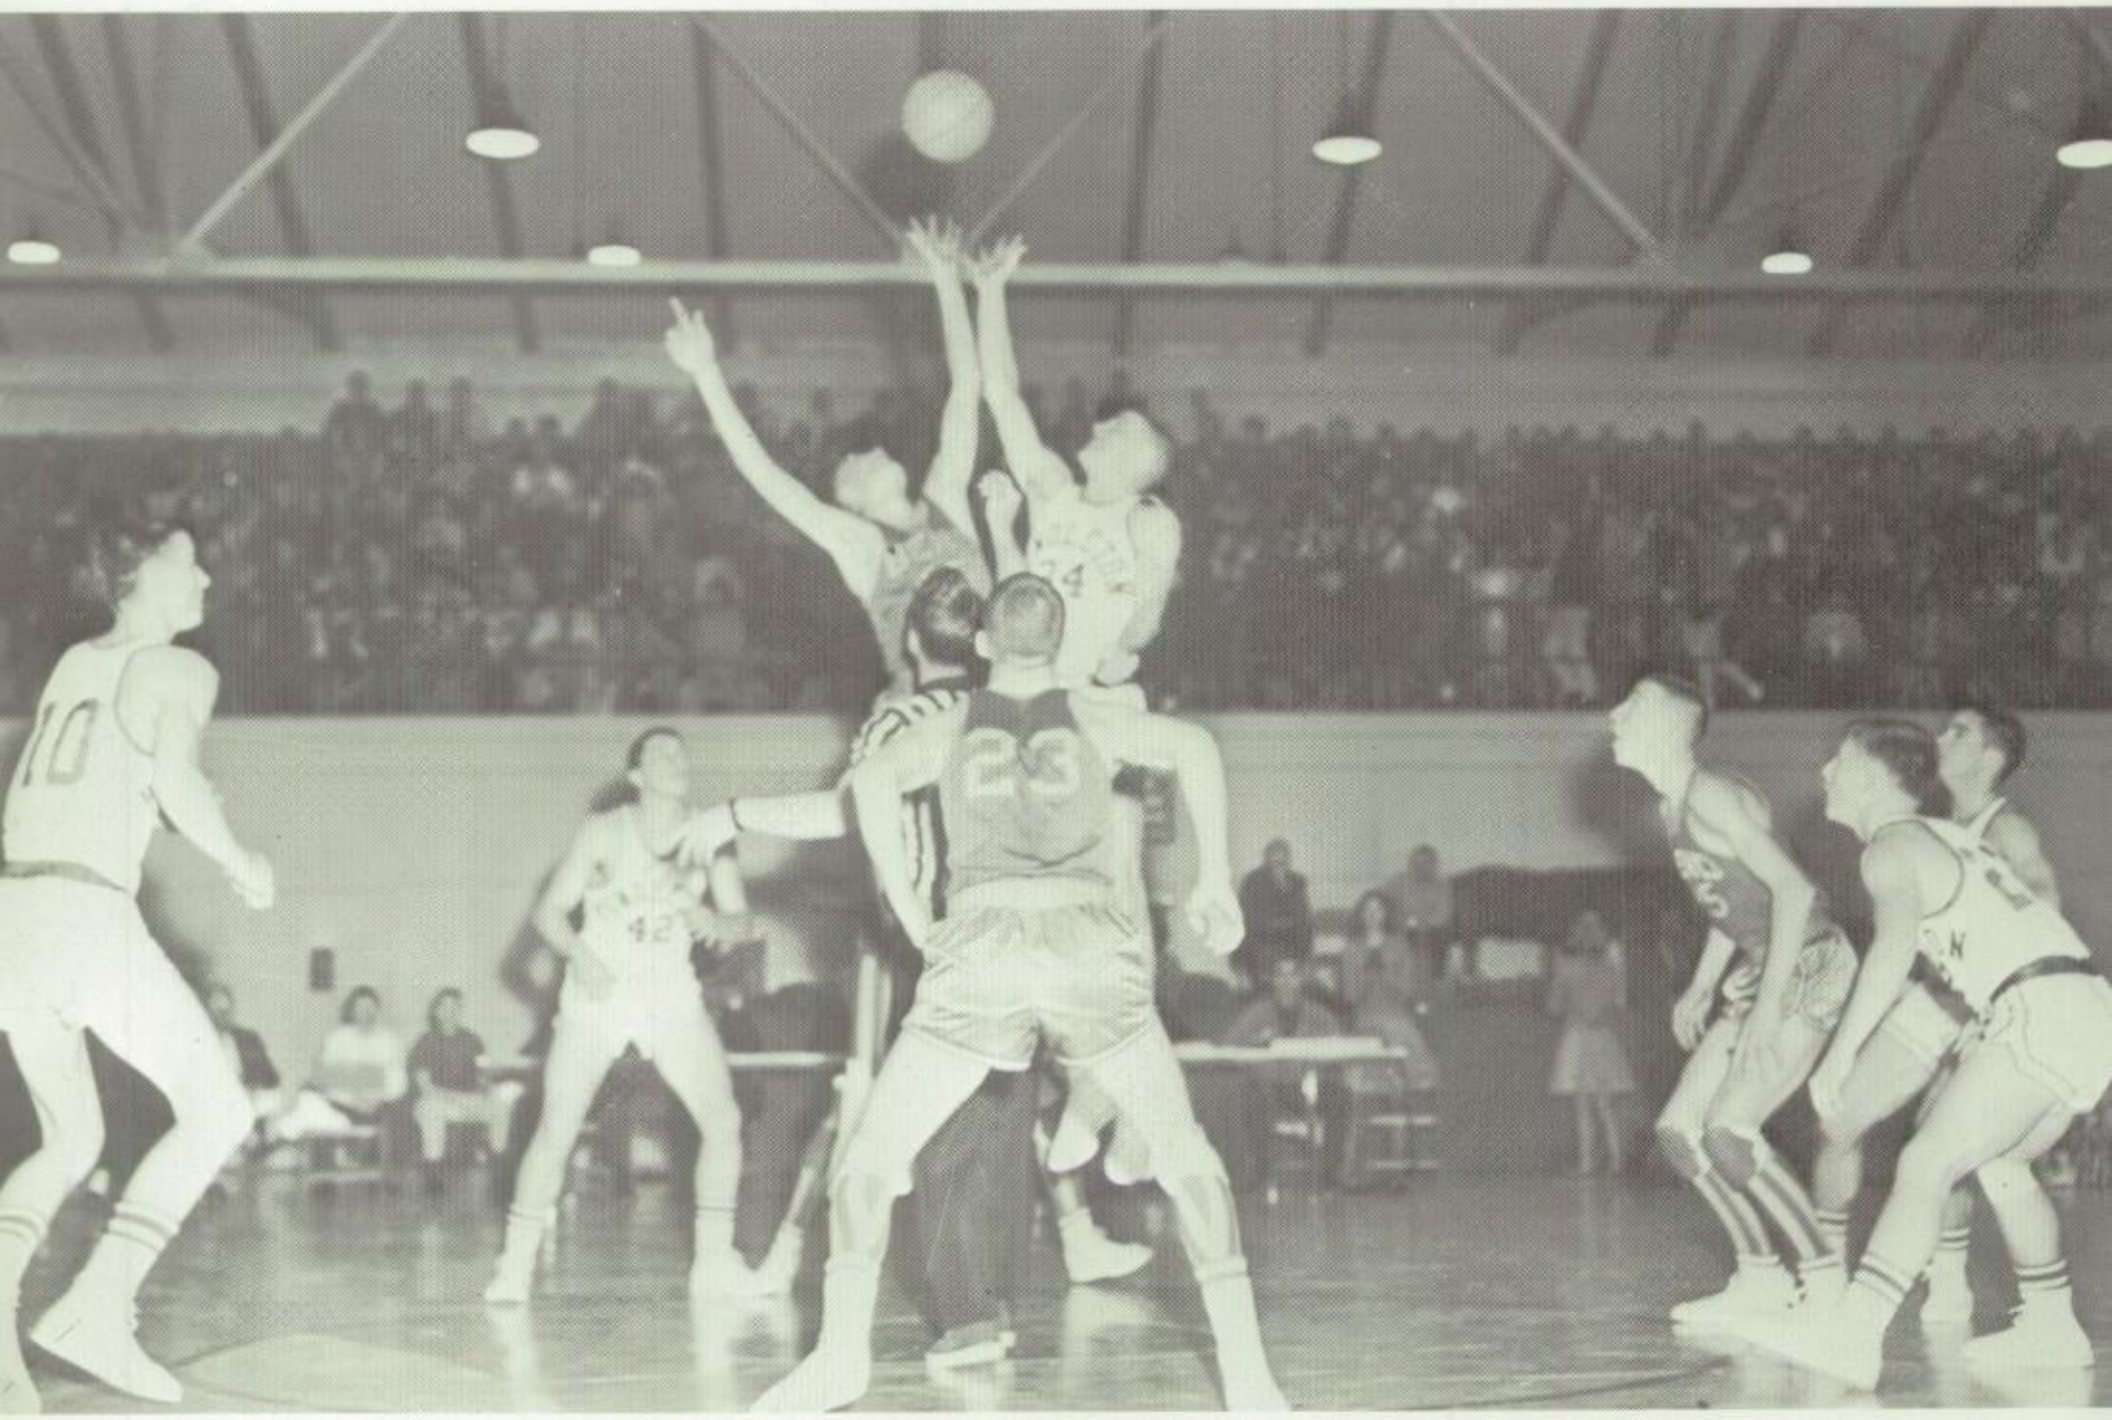
Varsity Basketball: Begin



John Carter stretches for the ball in the Pendleton-Bend game played in Pendleton, January 10 Carter did an outstanding job holding down the backboard for the Bucks. The Bucks-Lava Bear game was a thriller with the score being very close all the way. The final score was 68 to 62, a very important victory for the Buckaroos. High point man was Jim Harrison with 20 points. Jack Baird was close behind with 15. This was the Bucks seventh straight basketball victory of the '64 season. Pendleton had a good shooting night with a .391 average compared to Bend's .361.

ning of a Big Year

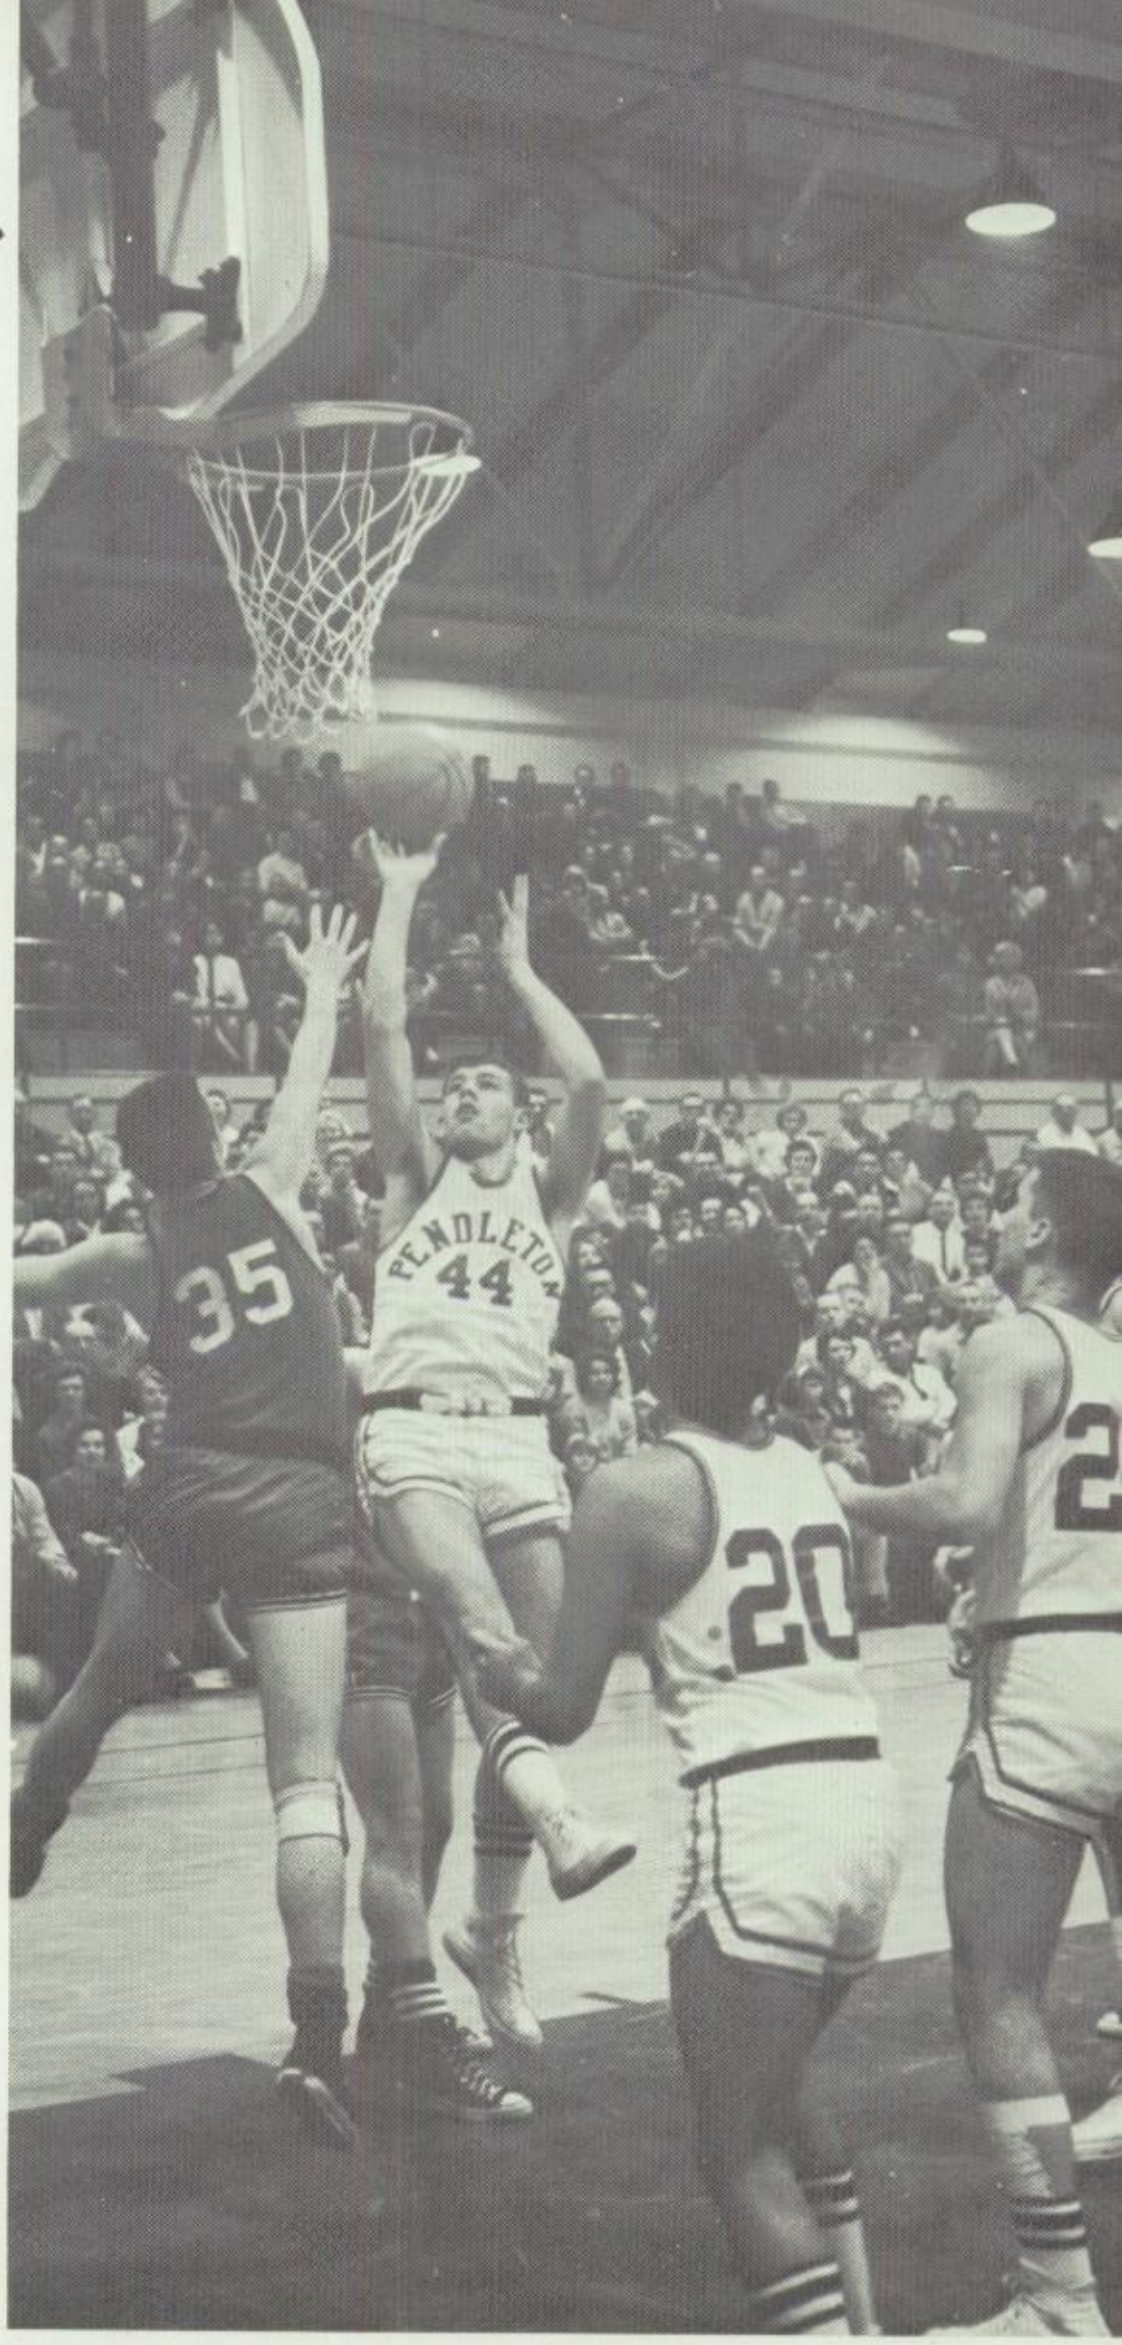
Once again through aggressiveness and practice, the ball hustling Bucks sped through another successful season. Ball control, shooting ability, and endurance were the main ingredients. Although the Bucks were a little short of height, having only three boys at the 6'2" mark, they dominated the backboards through their aggressive tactics.

The fine shooting of Jim Harrison and Dick Jones led the sharp shooting Pendleton team to 20 victories through a 22 game season. The fine ball control was an equally important factor in the victories. Jack Baird, Clarence Cowapoo and Steve Corey many a time replaced defeat with VICTORY through exceptional ball handling.

"Practice makes perfect," the motto of Pendleton's Coach Dale Warberg, who has made six trips to the state tournament possible, attested to the fine coaching staff of the famous Pendleton Buckaroos.

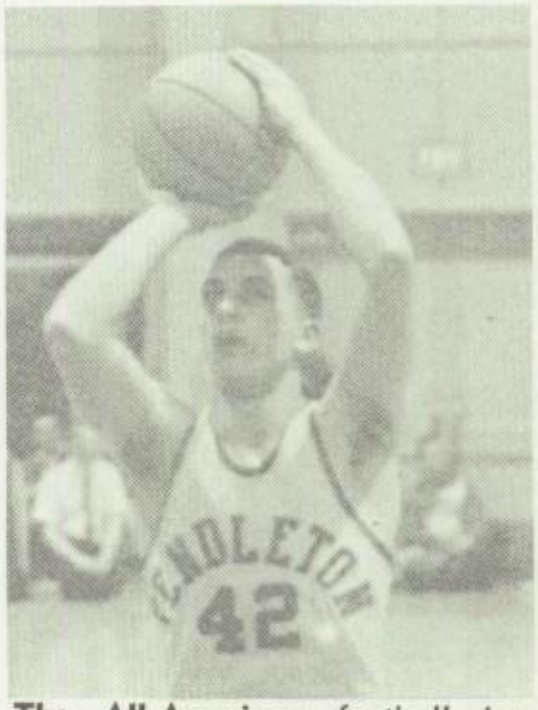
The seemingly annual trip to McArthur Court in Eugene was once again enjoyed by many Pendleton fans. The Bucks won their first game with Jesuit as well as the second with Albany. The third game was the jinx for the Buckaroos; the South Eugene Axemen downed them, 83 to 65. The final game in consolation play, the Pendleton team lost to Lincoln of Portland 48 to 47. In another final period rally the Bucks came within one point of victory against the Lincoln Cardinals. Earlier in tournament play, with Albany, the Bucks came from a 14 point deficit in the final period to upset Albany Bulldogs by two points at the final buzzer.

The JV squad also had a successful season winning 12 games out of the 19 game season. The top JV scoring honors went to Jay Brunner; Jay also played varsity ball. The potential varsity squad of the '64-'65 season, also displayed fine ball control by Roger Schiewe and Larry Sweek, as well as the fine shooting of Brunner and Tim Hill. Bidding for varsity spots next year will be: Tim Hill, Jay Brunner, Terry Harrison and soph's, Edgar Hargrow and Roger Schiewe.



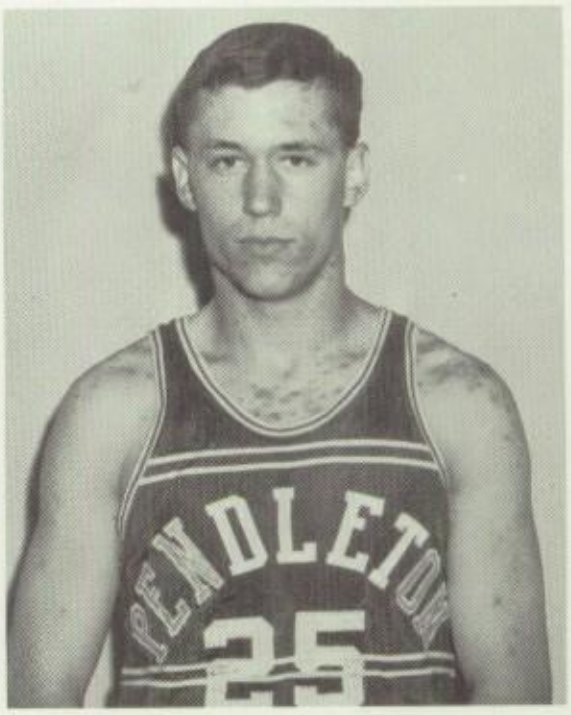
During the climax in the Mac High game, Jim Rackley shoots from the key for two, despite failing efforts of Mac High men. Thanks to the fine sharpshooting of Jack "Rabbit" Baird and Jim Harrison, along with some fine passing from Dick Jones and Clarence Cowapoo, the Bucks put down many challenging bids for the Intermountain Conference title. Jim Harrison paved the way to victory with 22, followed by teammate Jack Baird with 12. Disregarding the slight disadvantage in height, the Bucks downed the Pioneers, 87-58.

Bucks battle for rebound through La Grande's bid for upset in Intermountain Conference play. The All-American boy, Dick Jones, led the Bucks in scoring, with 25 points, followed by Jack Baird with 15. Also contributing to the big victory were Jim Harrison and Clarence Cowapoo, both boys exhibiting outstanding ball control and shooting ability. The Buckaroos had a big weekend, defeating the favored Baker Bulldogs 58-55 and coming back the next night to drown the La Grande Tigers 86-67.

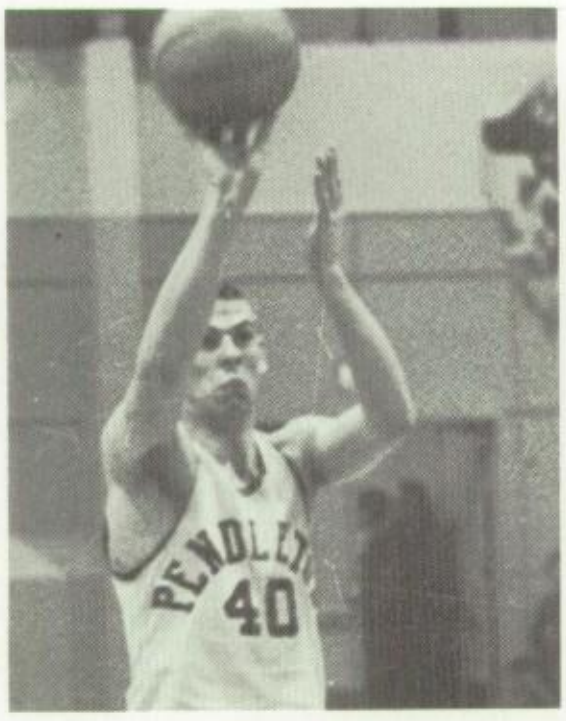


The All-American football boy, Dick Jones, turned out to be an equally important basketball player, being selected on the state high school A-1 first team.

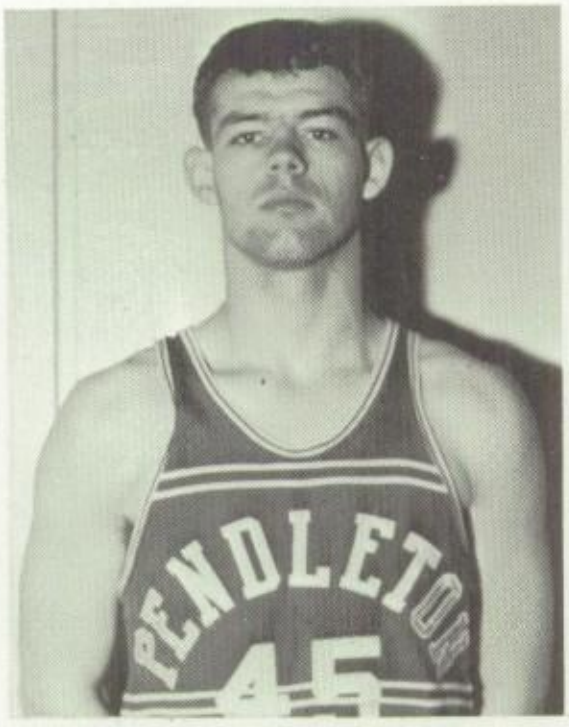
Steve Corey, a 5'10" powerhouse, out jumped, out hustled, out shot, many foes that had a height advantage.



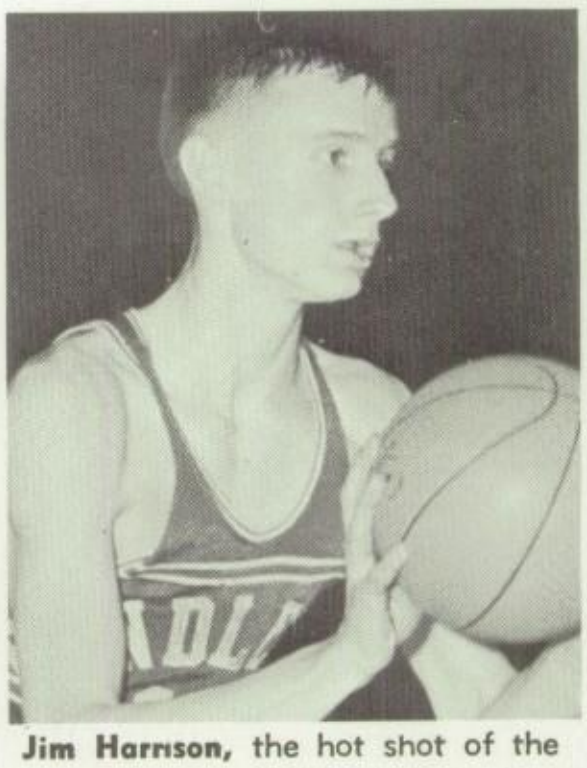
Jay Brunner, the agile 5'11" forward, scored well in both varsity and J.V. competition.



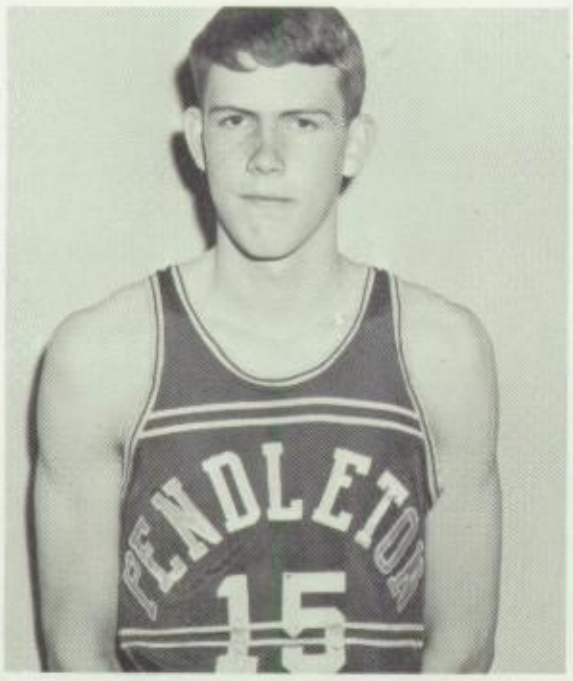
Duane Erickson, sharing height honors with John Carter, also played center as well as forward.



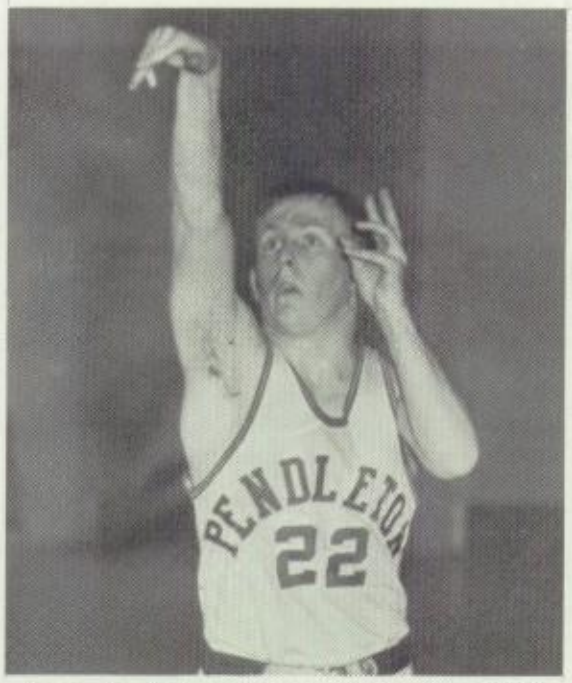
The cool headed forward, Jim Rackley, showed great speed in back board play, a necessary ingredient in good basketball.



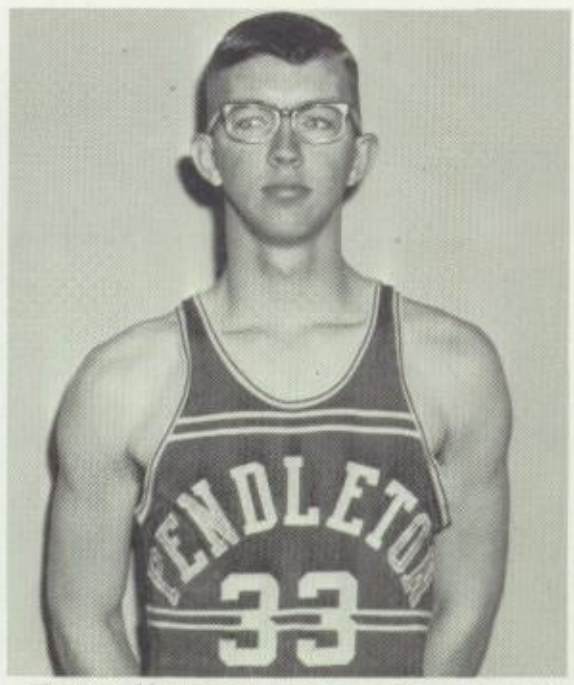
Jim Harrison, the hot shot of the team had a tremendous season scoring 347 points in season's play.



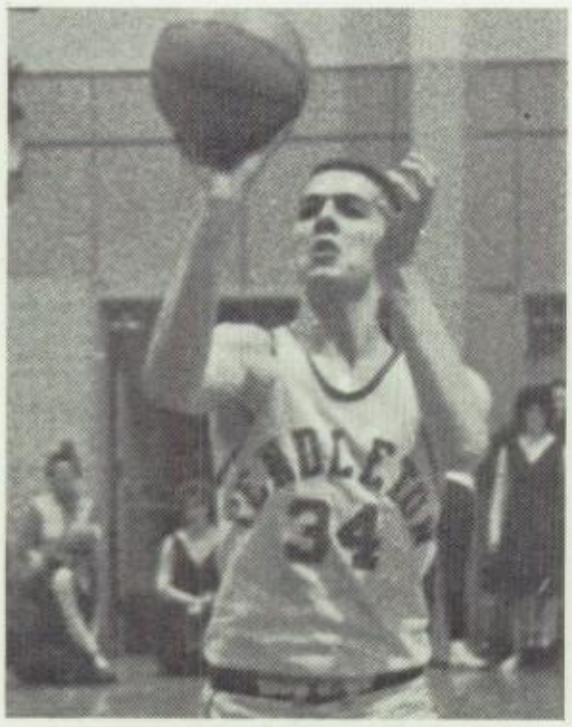
The double duty boy, Tim Hill, played varsity as well as playing J.V. Tim showed potential by displaying good ball control and shooting skill.



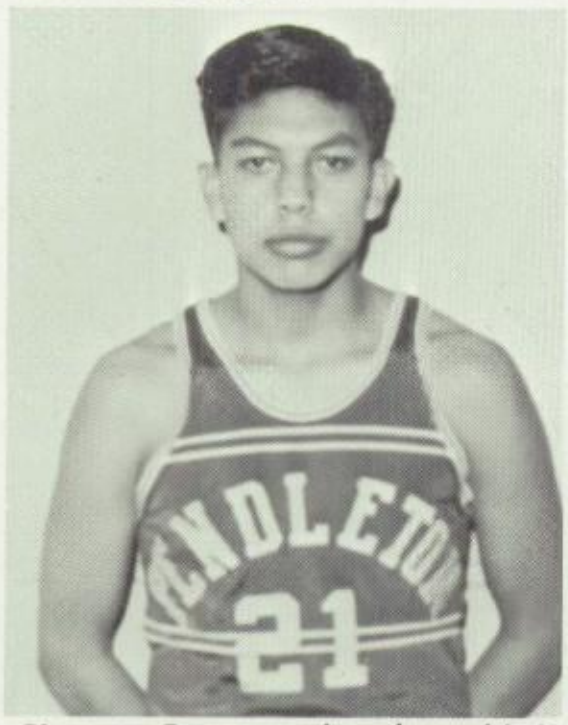
Jack Baird proved that dynamite comes in small packages. Baird served as the Buck's playmaker by continuously exhibiting his finesse in ball control.



Terry Harrison, even though not seeing much action this year, showed tremendous shooting and ball control.



The center post this year was held down by big John Carter; "the back board man".



Clarence Cowapoo, though troubled with a hand injury, proved valuable with exceptional passing and an eye for baskets.

Late in the second period of play in the Mac-High game, Jay Brunner slips through for two points to further Pendleton's lead. The Bucks beat the Pioneers 87-58, leading all the way to the final buzzer, through a seemingly quiet night.

Coaching Staff Steals State Honors

During final practice session prior to the state tourney, Coach Dale Warberg pauses for a brief time out. Mr. Warberg led the Bucks through a 27 game season with only 5 losses. This made the 6th tourney for Mr. Warberg; the sign of a good coach!!

The all-state managers, Gary Peterson and Roesch Kishpaugh pampered the Bucks to many victories. The managers perform many duties such as ankle taping, ball care, and providing soothing music. (Not pictured is Scott Lerfald).

During a lull in The Dalles game, the Bucks discuss problems and plan further strategy to overcome the India over the mighty warriors 56-45, with Dick Jones leading the way with 24 points. Once again the Indian shooting Bucks at the close of the season. The Buckaroos went on to place 6th in state finals at Eugene. Th Jesuit.

Members of the JV Basketball squad are, **front row:** Philip Moses, Roger Schiewe, Tom Dearborn, Tom Stoddard, David Burns, Larry Sweek; **back row:** Jim Carter, Tom Freeman, Rand Akins, Edgar Hargrow, Jim Jackson, Mike Farrow and Mark Rosenberg.

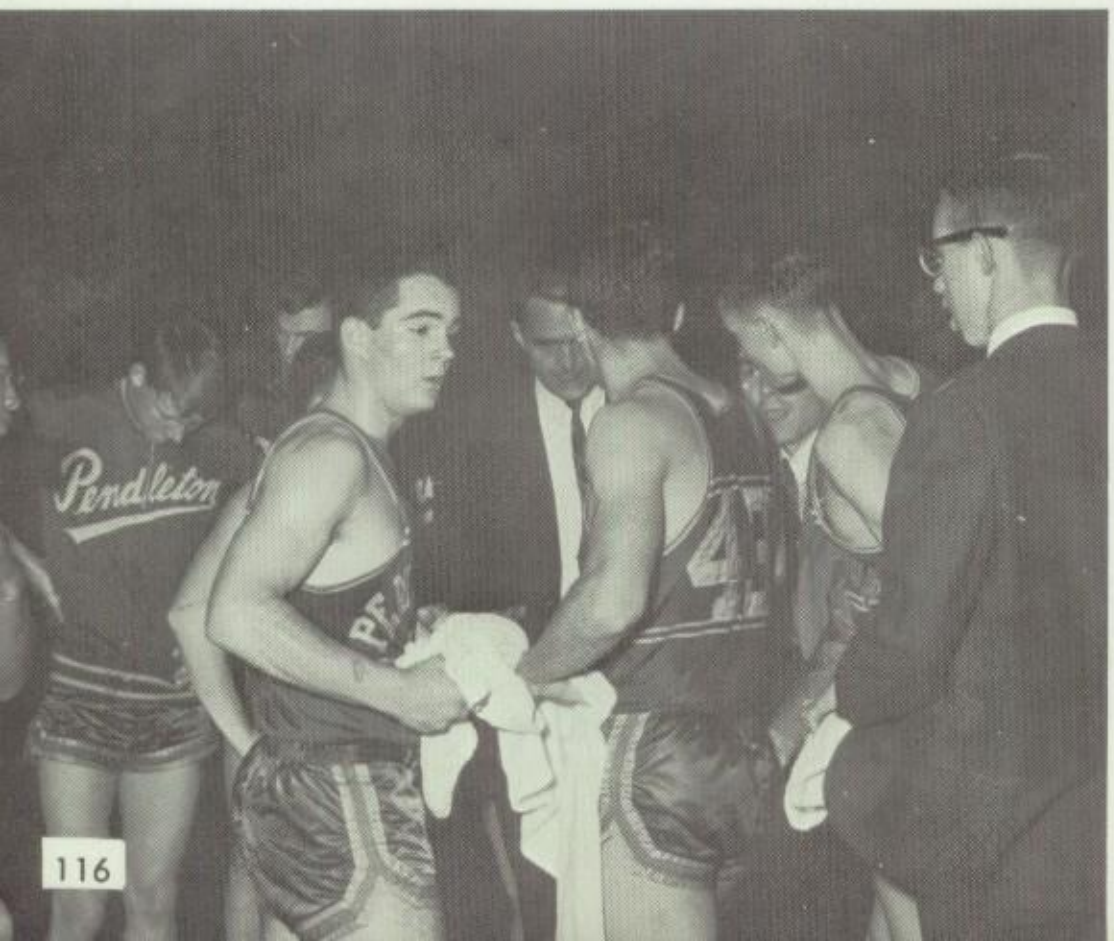
Bucks Win Two at State

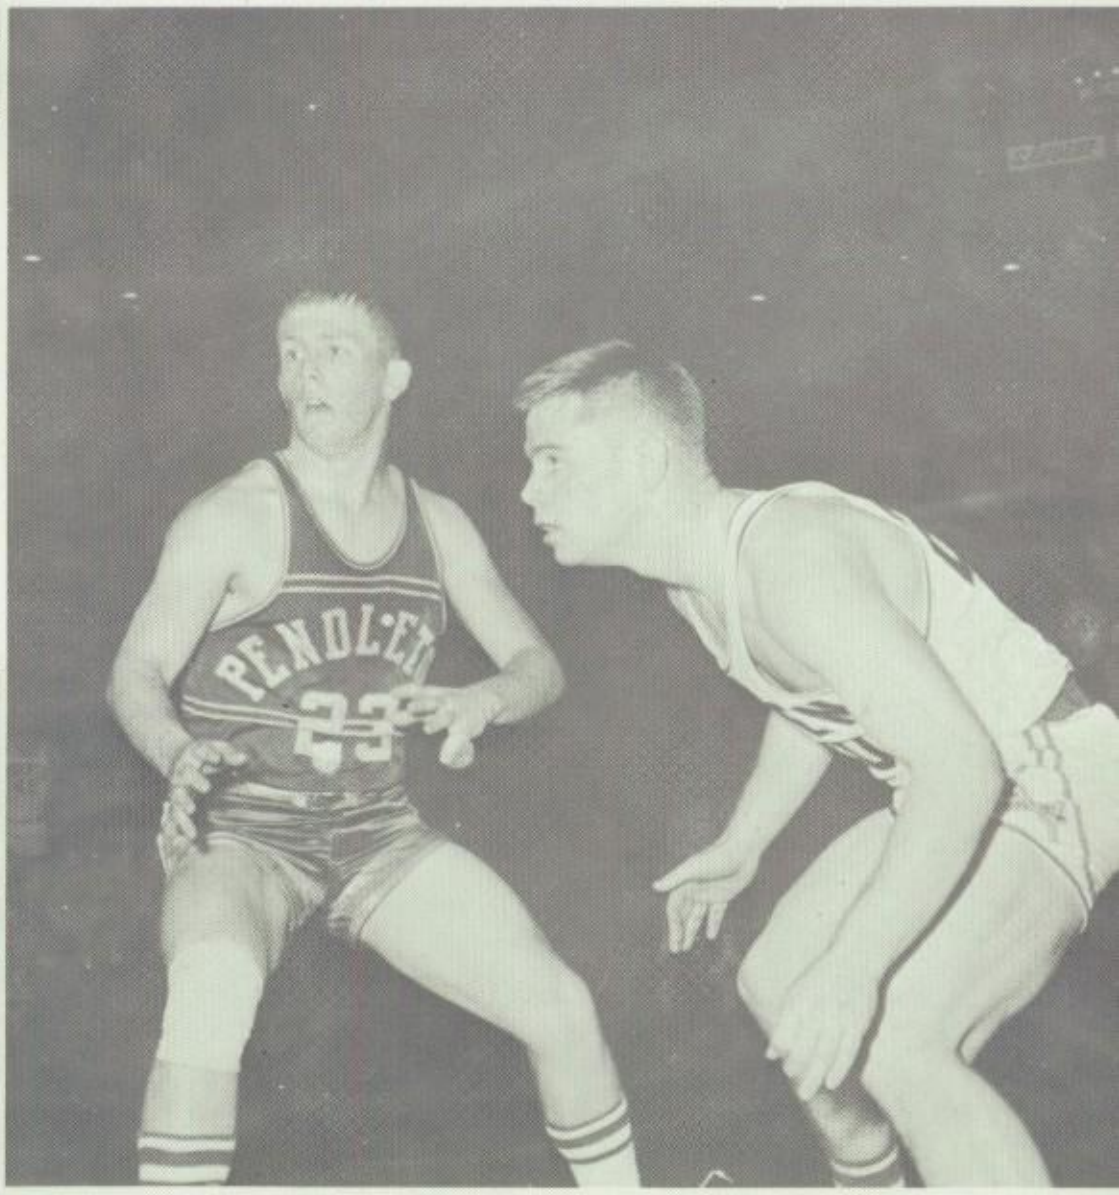


Rally Squad leads spectators in a yell at The State Tournament.

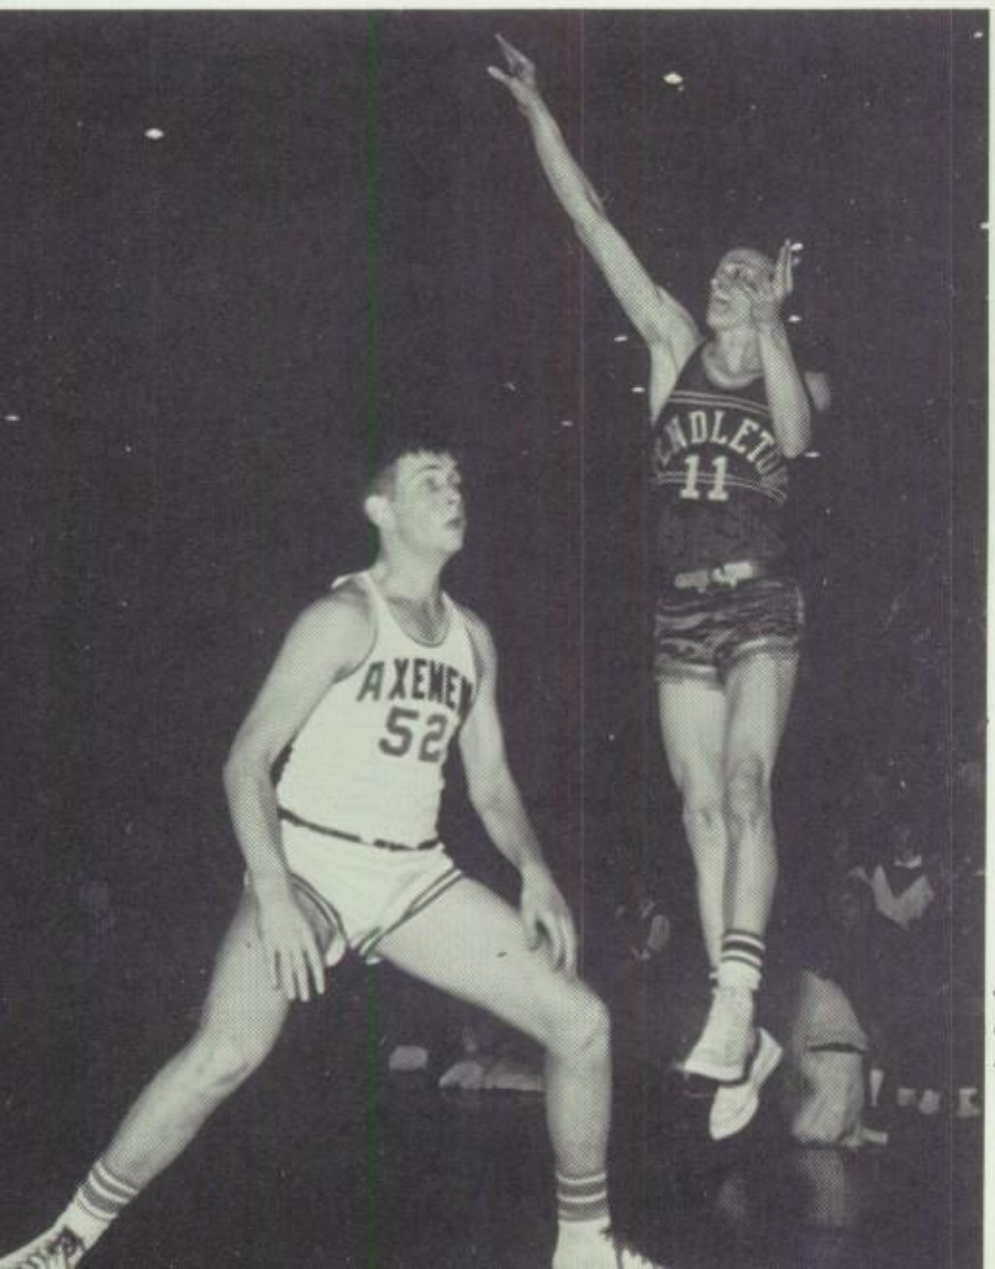
The tide turns to seriousness as the good-natured Bucks discuss a planned comeback against the ball snagging Albany team. During the climax for Pendleton fans, the Bucks battled back from a 14 point deficit to a two point victory. The thrilling night proved to be the end of the Buckaroo's charm, losing the next two to South Eugene and Lincoln of Portland. The fast breaking Pendleton Buckaroos ended the tournament rating 6th in the state.

Oregon's All-American athlete proves his fame by receiving his second All-American honor in basketball. Dick Jones, the all star forward, proved his talent by scoring 22 points in the second game of the Eugene trip. Thanks to the sharp shooting and hard driving All-American, the Albany Bulldogs fell to the Pendleton Buckaroos 59 to 57 in a comeback to be remembered.

During preliminary games, the Bucks watch action on floor midst the spectators, as well as playing in the tournament, the Bucks also enjoyed watching State competition.



Jack Baird, the popular playmaker for the Pendleton team, saved the battling Buckaroos from sheer defeat by displaying excellent ball control. Baird, an equally fine shot, also scored well in the tournament. The wiry 5'7" guard finished his high school basketball career on a high note, making his second state tournament.



Jim Harrison jumps from floor for two against South Eugene at McArthur Court in Eugene. The hot shot ball handler, many times led a fast break for two points against challenging foes.

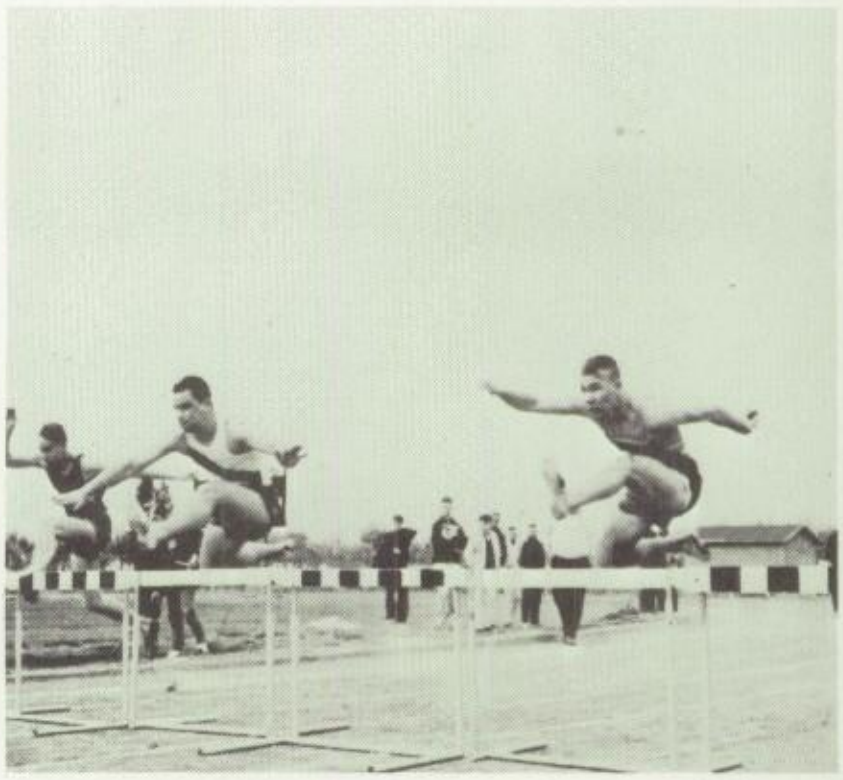
The two exciting track stars, Dave Arnold and Harold Delamarter, battle out for places in the two mile event. Continuing their interschool competition from last year's mile, the two boys fight for honors in the mile and two mile events, Arnold setting the two mile record in the time of 10:12.



Hard driving hurdler Dave Burns with slight edge over Hermiston trackster wins the low hurdles. After winning the hurdles the Bucks went on to dominate the meet by out-running the Hermiston spikers 81½ to 40 in Hermiston.

Roger Sandvold sprints out in the final leg of the relay at Hermiston. The Buckaroo speedster ran to a new record in the hundred, breaking Bob Thorne's 9.9 second run. The record smasher came during a dual meet with La Grande, a sizzling 9.7 sec.

During the Mac High game, Coach Bob White glumly watches action. Reliefers watch team mates top the Pioneers in a pitching dual 4 to 0 at the home diamond. Mr. White led the Bucks to another Blue Mountain conference title, winning the clincher with Hermiston 10 to 0. Losing only 1 this year in league play, the Bucks moved onto quarter-final play with the North Salem Vikings. The never ending coaching duties of Mr. White seem to be the secret of his success. As well as coaching varsity baseball, Mr. White coaches varsity football, another state team.

Arion Award Goes to Two

This year, the already large choral department added two more ensembles, making five. The new boys' ensemble, the Squires, proved to be very popular and set a precedent for the following years. There was another girls ensemble added, also.

The basic theme of the choral department this year was folk music. The mixed ensemble sang popular folk music of The Renaissance, attired in the clothing of that era. The boys' ensemble sang many Western songs, typical of this area, and specialized also in sea chanties. The three girls' ensembles sang different types of folk music, including mountain ballads, love songs and various others.

Altogether this year, the entire choral department totaled fifty-five performances for various clubs and activities in this community.

Marilyn Walpole and Dee Knight were presented the coveted Arion Awards by the choral department. They were judged by their outstanding choral accomplishments and musical abilities.

All School Play

'I Remember Mama'

The first all-school play, 'I Remember Mama,' was presented in late November. The plot comprised of Mama, who with the help of her husband and Uncle Chris, brought up their children in a modest San Francisco home during the early part of the 20th century. Mama's oldest daughter, Katrin, played by Nancy Lorenzen, tells the moving story of how Mama saw her children through childhood, educated them, and got to see her oldest daughter begin a writing career.

Pictured above are: Katrin (Nancy Lorenzen), Mama (Marilyn Williams), Dagmar (Bette Ward), Christine (Loretta Gill), Papa (Chris Lassen), and Neils (Mike Goss).

Second All-School Play:

Judge Charlie Cool	Chris Lassen
Choir Mistress	Michelle McKenna

Verna (Nancy Lorenzen) tells the "tree-housers" that they are fools to stay in the tree.

The Grass Harp is about Dolly, a meek, gentle woman, who runs away from her domineering sister, Verina, and lives in a tree-house. The atmosphere is intensified by Catherine Creek, Dolly's faithful negro servant, who goades Dolly into fighting Verina. But after much thought, the two sisters realize their true selves and live happily together once more.

"All right, Sheriff, you lay a hand on any of us and I'll kick ya' in the head." The townspeople resort to violence in their attempt to get the "tree-housers" to come down.

School Schedules

The Mississippians

The National School Assemblies Program schedules a series of assemblies each year for high schools throughout the United States. Because of the large school enrollment, double assemblies were again held. Members of Pendleton High were first entertained by a Negro spiritual quartet, 'The Mississippians," who sang both religious and popular music. In a General Motors sponsored assembly, two General Motors' representatives allowed students to take a step into the scientific future. Yoga specialist, Ed Schetter, revealed his secrets of keeping a human body physically fit. Thank You

Members of the Yearling staff would like to take this opportunity to thank the people who have helped make this volume possible.

Special thanks to Bob Grant for the divider pages; to Kennell-Ellis for group pictures; to Throckmorton for photos; and especially The Pendleton Record for their fine cooperation in setting the type.

Our appreciation to the faculty when classes were interrupted for pictures.

The Best of everything to the loyal advertisers who helped make **The Yearling** possible.
